1 What is “personal data” and processing of such?

Personal Data

Personal data is any information that can be directly or indirectly related to an identified or identifiable natural person, i.e. to you – the “data subject” – (“Personal Data”). Personal Data includes e.g. photos as well as encrypted information if it is relatable to a data subject. A data subject could be any natural person who is in contact with Netlight, including but not limited to, recruits, employees, clients, suppliers or visitors.

Processing

Processing means any operation or set of operations which is performed on Personal Data, whether or not by automated means. Common processing activities includes, but is not limited to, collection, recording, organisation, structuring, storage, alteration, disclosure by transmission, restriction and destruction.

Who is responsible for the personal data we collect?

Each Netlight Group entity is responsible for its own processing of collected personal data processed within the entity and is hence, for the purpose of the General Data Protection Regulation ((EU) 2016/679), the “data controller” of your personal data. The “Netlight Group” consists of the following entities:

- Netlight Consulting AB (publ), Reg. No. 556575-6227, Regeringsgatan 25, 111 53 Stockholm, Sweden.
- Netlight AS, Reg. No. 991 952 802, Karl Johans Gate 23B, 0159 Oslo, Norway.
- Netlight Consulting GmbH, Reg. No. HRB 189944, Sternstraße 5, DE-80538 Munich, Germany.
- Netlight Consulting Oy, Reg. No. 2517964-1, Kluuvikatu 3, 00100 Helsinki, Finland.
- Netlight Consulting AG, Reg. No. CHE 189437853, Dreikönigstrasse 7, 8002 Zurich, Switzerland.
- Netlight Consulting ApS, Reg. No. 38886851, Skindergade 31, 4, 1159 Copenhagen K, Denmark.

Joint controllers

Netlight is an international network organisation. Therefore, dataflows over national borders are required in certain defined areas described below.

- Recruitment – striving to find the best talent available
- Communication and collaboration – to be able to work on projects of mutual interest within the Netlight Group
- Management and planning – to facilitate and improve cross border projects, initiatives, business trips, relocations, relations and transactions

When you are part of one or more of above-mentioned data flows, your Personal Data might be shared to other Netlight Group entities. The Netlight Group entity you have been in contact

with and the entity to which your data is shared are joint controllers of your data. See section 5 below for further details for those processing activities.

Supervising Authorities

If you have any comments or complaints about our processing of your Personal Data, you may contact the authorized supervisory authority in the jurisdictions listed below. Each supervisory authority is responsible for monitoring compliance with the law, and if you believe that Netlight handles your Personal Data improperly, you may file a complaint to the supervisory authority.

2 Summary

We need your Personal Data

As your potential employer, supplier or business partner, we need to be able to process your Personal Data for various reasons. In simple terms, we use your data for the purposes of managing:

- your recruitment process - for example, in order to source talents, create and conclude an employment contract, as well as in order to manage and plan our recruitment needs
- the business - for example, in order to book client meetings, plan staffing, organize schedules, managing leave and producing reports and statistics
- internal and external communication - for example, when you communicate with us for business reasons
- security - for example, when issuing entry passes and managing and securing our IT systems and services

- hosting and administering events - for example, in order to correspond with participants and suppliers before, during, and after the event, to manage food orders or applications, to identify the participants and – in the event of a competition – to announce and correspond with the winner.

Please see [“Why we process your Personal Data”](#) for further information.

We use your data when communicating with others

When communicating with other parties such as public authorities and advisors, suppliers or any other service providers of Netlight, we may be obliged, or it may be necessary, to share your Personal Data with them. Please see section 3.4-3.6, section 3.9 and section 5 for further information regarding sharing of your Personal Data with other recipients.

We store your data only as long as it is required

We store your Personal Data only as long as we need to in order to fulfil our purpose for processing it. We will then safely erase or anonymize your data so that it can no longer be linked to you. Please see [“How long do we store your Personal Data?”](#) for further information.

Your rights

You have certain rights connected to the Personal Data we store. You have the right to:

- request access to your Personal Data (a so-called “register extract”)
- request rectification
- revoke previously given consent with future effect
- object to processing which is based on our legitimate interests
- request your Personal Data to be erased or the processing of your data to be restricted in some cases
- be provided with a copy in a structured and machine-readable format (for data portability) of personal details which you yourself have submitted

Please see [“Remember your rights”](#) for further information.

3 Why we process your Personal Data

3.1 Personal Data processed within our recruitment process

Purpose

Netlight processes Personal Data for the purpose of finding new employees or to reply to your application, e.g. in order to be able to contact you, administer your recruitment process and any other day-to-day activity within the scope of your recruitment process, as well as in order to create and conclude an employment contract. The following Personal Data may be processed within the scope of administrating your recruitment process:

- Contact information (such as name, address, e-mail address and telephone number)
- Government ID (such as social security number, personal number, passport copy)

- Sex or gender
- Date of birth
- Information including data pertaining to your health
- Working experience
- Business title
- Organizational belonging
- Department
- Employment lifecycle dates (start and end dates)
- Employee demographics (for example sex, gender and age)
- Information regarding secondary employments
- Where necessary: work permit and/or residence permit
- Additional information from CV voluntarily submitted (e.g. photos or personal interests)

Legal basis

Your Personal Data processed in accordance with this section is processed on the basis of being a necessity in order to enter into an employment agreement with you and in order to fulfill Netlight's legitimate interest of being able to respond to your application, to recruit new employees, plan work distribution and conduct staffing planning, and to review your work performance.

3.2 Personal Data processed in connection with Netlight events

3.2.1 Administrations of events

Purpose

Netlight processes Personal Data for the purpose of hosting and administrating events, for example to correspond with participants and suppliers before, during, and after the event, to manage food orders or applications, to identify the participants and – in the event of a competition – to announce and correspond with the winner. The following Personal Data may be processed within the scope of hosting and administrating events:

- Contact information (such as name, address, e-mail address and telephone number)
- Government ID (such as social security number, personal number, passport copy, work permits)
- Sex or gender
- Date of birth
- Information voluntarily submitted (e.g. in email conversations or via applications or evaluations)
- Business title
- Health related data voluntarily submitted (e.g. information about allergies)
- Emergency contact (voluntarily submitted)

Netlight will further use and store your Personal Data for sending you newsletters and e-mails using mailing lists, which contain information about Netlight and its upcoming events, as well

as for documenting your consent. Personal Data processed for these purposes may include for example:

- Contact details (such as name, email and phone number)
- Notification preferences

Legal basis

Your Personal Data processed in accordance with this section is processed on the basis of Netlight's legitimate interest of managing and administrating events as well as your legitimate interest to participate in said events and, where applicable, to fulfill Netlight's legal obligations as set out in section 3.9. Personal Data processed for the purpose of sending newsletters and e-mails using mailing lists is processed on the basis of your consent.

3.2.2 When you participate in Netlight events

Purpose

When you participate in Netlight events, Netlight may process your Personal Data for the purposes described in section 3.3 below. Accordingly, Personal Data processed for this purpose may include:

- Photos or videos of you from events.

Legal basis

- Your Personal Data processed in accordance with this section is processed on the basis of Netlight's legitimate interest of cultivating our network, maintaining our culture and ensuring knowledge sharing. Netlight will further process your Personal Data on the basis of Netlight's legitimate interest to publish information about our business on our website, in printed materials and on social media as well as to market our business through such platforms.

3.3 Personal Data processed to maintain a social media presence

Purpose

Netlight is a value-based network and knowledge sharing organization. It is essential for us to share knowledge as well as to hold events since this is a key part of becoming who we are – pioneers and creators of the digital future. We use LinkedIn, Twitter, Facebook and Instagram to have a dialogue with our clients and recruits as well as with our employees. Seeing as the Netlight entities are spread over different parts Europe, social media is a very valuable tool in terms of taking care of our cross-border and cross-functional relationships while also fostering our ONE-Netlight culture. Netlight will therefore process your Personal Data for the purpose of visualizing our values, culture and everyday-work by posting photos from, for example, summits as well as from internal and external events. You are entitled to ask Netlight to remove any photos of you from our social media accounts at any time. Personal Data processed for this purpose may include:

- Photos or videos of you from events, conferences, meetings, workshops, interviews and articles.

Legal basis

Your Personal Data processed in accordance with this section is processed on the basis of Netlight's legitimate interest of cultivating our network, maintaining our culture and ensuring knowledge sharing. Netlight will further process your Personal Data on the basis of Netlight's legitimate interest to publish information about our business on our website, in printed materials and on social media as well as to market our business through such platforms.

3.4 Personal Data processed whilst performing client assignments

Purpose

In order for Netlight to deliver our services in accordance with both Netlight's and our clients' expectations, Netlight will process Personal Data for the purpose of fulfilling our assignments and to communicate with applicable counterparties or other parties connected to the assignment. Netlight will further process Personal Data for administering payments, invoicing and bookkeeping as well as scheduling meetings. Netlight will also process Personal Data to provide efficient and accurate documentation and administration with respect to the assignment and to facilitate an efficient process. Personal Data processed for the purposes above may include:

- Contact information (such as name, address, e-mail address and telephone number)
- Government ID (such as social security number, personal number, passport copy)
- Sex or gender
- Date of birth
- Business title
- Organizational belonging
- Department
- Information voluntarily submitted (e.g. in email conversations)
- Financial information (e.g. invoicing details)
- Scope of the assignment

Legal basis

Your Personal Data processed in accordance with this section is processed on the basis of Netlight's legitimate interest of fulfilling our assignments and client agreements and, where applicable, to fulfill Netlight's legal obligations as set out in section 3.9.

3.5 Personal Data processed for communication and client relation management purposes

Purpose

Netlight will process your Personal Data to manage client relations and to correspond with clients and prospective clients, for example to conclude and execute an agreement, evaluate assignments, participate in tenders and administrate access to our services. Personal Data processed for these purposes may include for example:

- Contact details (such as name, email and phone number)
- Social security relevant information (social security number)
- Information voluntarily submitted (e.g. in email conversations)
- Financial information (e.g. if our client is operating as a sole trader)

Legal basis

Your Personal Data processed in accordance with this section is processed on the basis of Netlight's legitimate interest of managing customer relations and corresponding with clients and prospective clients and in order to fulfil or enter into a client agreement and, where applicable, to fulfill Netlight's legal obligations as set out in section 3.9.

3.6 Personal Data processed for communication and supplier relation management purposes

Purpose

Netlight will process your Personal Data to manage supplier relations and to correspond with suppliers and prospective suppliers, for example to conclude and execute an agreement and evaluate supplier services. Personal Data processed for these purposes may include for example:

- Contact details (such as name, email and phone number)
- Social security relevant information (social security number)
- Information voluntarily submitted (e.g. in email conversations)
- Financial information (e.g. if our supplier is operating as a sole trader)

Legal basis

Your Personal Data processed in accordance with this section is processed on the basis of Netlight's legitimate interest of managing supplier relations and corresponding with suppliers and prospective suppliers and in order to fulfil or enter into a supplier agreement and, where applicable, to fulfill Netlight's legal obligations as set out in section 3.9.

3.7 Personal Data processed via cookies

Purpose

Netlight uses cookies to provide a website, which our visitors can use as intended by us and to collect statistics on site performance. The cookies make it possible for us to collect and analyze information on site performance and usage, to remember your preferences, and, possibly, to improve the user experience. The cookies further allow you to navigate between pages easily. Personal Data processed through the placement of cookies may include for example:

- IP-address
- Length of visit on the website
- Number of pageviews
- Choices made while browsing the website
- Traffic sources and website navigation (for example, which search engine is used to access the site)

Most browsers allow you to turn off cookies. To do this look at the “help” menu on your browser. Turning off cookies may restrict your use of the website and/or delay or affect the way in which it operates. Read more about how we use cookies in our [Cookie Policy](#).

Legal basis

Your Personal Data processed in accordance with this section is processed on the basis of Netlight's legitimate interest to provide a user-friendly and well-functioning website, and to support our commercial interest of collecting statistics of the visitors on our website.

3.8 Personal Data processed for investor relations purposes

Purpose

Netlight will process your Personal Data to manage investor relations and to correspond with investors and prospective investors, for example to conclude and execute an agreement or to provide and exchange information. Personal Data processed for these purposes may include for example:

- Contact details (such as name, email and phone number)
- Date of birth
- Social security relevant information (social security number)
- Financial information

Legal basis

Your Personal Data processed in accordance with this section is processed on the basis of Netlight's legitimate interest of managing investor relations and corresponding with investors and prospective investors and, where applicable, to fulfill Netlight's legal obligations as set out in section 3.9.

3.9 Personal Data processed to fulfill legal obligations

Purpose

Netlight will process your Personal Data in order to fulfill its legal obligations, for example in the area of company law, market abuse regulations or bookkeeping and tax legislation.

Personal Data processed for these purposes may include for example:

- Contact details (such as name, email and phone number)
- Date of birth
- Social security relevant information (social security number)
- Financial information

Legal basis

Your Personal Data processed in accordance with this section is processed as it is necessary in order for Netlight to fulfill its legal obligations.

3.10 Personal Data processed in order to conduct internal investigations

Purpose

Netlight will process your Personal Data for the purpose of conducting internal investigations relating e.g. to breach of laws and/or attacks on Netlight's IT-architecture. Such internal investigations will only be conducted due to concrete suspicions and upon the prior decision from Netlight's CEO or CFO as well as within legally permissible limits. Internal investigations include review of e-mail correspondence, data from CCTV-recordings, electronic documents and other information repositories and activities on the Internet whilst using Netlight IT-devices. Personal Data processed for this purpose may include the following, whenever and to the extent necessary:

- Contact information (such as name, address, e-mail address and telephone number)
- Business title
- Department
- Personal Data in e-mail correspondence
- Internet behavior such as visited web sites and time as well as scope of access
- Name of accessed or downloaded files and time of access
- Technical log information (such as when you logged in to the Netlight IT-infrastructure) and IP-address

Legal basis

Your Personal Data processed in accordance with this section is processed on the basis of Netlight's legitimate interest of identifying, investigating and preventing unlawful actions against Netlight.

3.11 Personal Data processed in order to establish, exercise and defend legal claims

Purpose

Netlight will process your Personal Data for the purposes of establishing, exercising and defending potential legal claims. Personal Data processed for these purposes may include the following data, whenever and to the extent necessary:

- Contact information (such as name, address, e-mail address and telephone number)

Data processors

We will normally transfer Personal Data to external parties, who helps us with e.g. recruitment, IT support and hosting services, accounting services and event planning. These external parties process Personal Data under the instructions of Netlight. Where such disclosure entails transfers of Personal Data outside the EEA, Netlight will ensure that the European Commission's Standard Contractual Clauses have been entered into between the transferring Netlight entity and the receiving external party. Alternatively, other safeguards will be put in place prior to such transfers, such as the recipient being certified under the U.S. Privacy Shield.

You are, if so provided under applicable data privacy law upon request, entitled to receive a copy of documentation demonstrating that appropriate safeguards have been taken in order to protect your Personal Data during a transfer outside the EEA regardless of whether it is an intra-group transfer or a transfer to an external party.

A list of the countries located outside the EEA, to which your Personal Data may be transferred, can be found on below.

International data transfers

The processors Netlight engage to process Personal Data under our instruction may, provided that appropriate safeguards have been deployed, transfer Personal Data to the following countries outside the EU/EEA.

- USA
- Canada
- Australia
- Japan
- Singapore

6 Protection of your Personal Data

We work with both digital and physical measures to protect the privacy and integrity of as well as access to your Personal Data. We have taken special and adequate security measures to protect your Personal Data from unauthorized use (such as unauthorized access, loss, destruction or damage). Only the people who need to process your Personal Data for us to fulfil our above stated purposes has access to them.

To further ensure the security of your Personal Data and compliance when processing of such Netlight has, in addition to this Policy, implemented an Information Security Policy and conducts regular trainings to maintain compliance within these areas.

7 How long do we store your Personal Data?

Netlight will store Personal Data for the period necessary to fulfil the purposes outlined in this privacy policy unless a longer storage period is required for legitimate reasons or required by law. The methods and criteria used to determine the storage periods include: (i) as long as you have an on-going recruitment process with Netlight, but sooner if the purpose have been fulfilled and no legitimate reasons exists for continuing to store the data; (ii) as long as you have an on-going business relationship with Netlight, but sooner if the purpose have been fulfilled and no legitimate reasons exists for continuing to store the data; (iii) as required by a legal obligation to which Netlight is subject (for example to retain bookkeeping materials); (iv) to meet applicable statutes of limitations, for example to exercise, establish or defend claims in litigation or investigations; and (v) in cases where Netlight's processing has been based on your consent only, until you revoke your consent.

8 Remember your rights

Right to access

Netlight is transparent on how we process your Personal Data. If you would like to have further insights on what Personal Data we process about you, you have the right to receive access to the Personal Data together with an extract containing information about the purposes of the processing; the categories of Personal Data concerned; categories of recipients; envisaged storage periods; information about where the Personal Data has been collected if it has not been collected from you, and existence of automated decision-making.

Please note that we may be required to ask you for additional information if you use your right to access. This must be done to ensure that the Personal Data is disclosed to the correct person and to facilitate an efficient process.

Right to rectification

You always have the right to correct inaccurate Personal Data. Subject to purposes of the processing, you also have the right to complete any incomplete Personal Data.

Right to revoke previously given consent with future effect

You have the right to have Netlight erase your data if you withdraw consent and Netlight's processing has been based on your consent only.

Right to erasure

Also known as “the right to be forgotten”. You are entitled to request to have your Personal Data erased, which we process if:

- The Personal Data is no longer necessary in relation to the purposes for which they were collected or otherwise processed
- You object against our legitimate interest and your reasons for objecting overrides our legitimate interest
- You object against processing for direct marketing purposes
- The Personal Data has been unlawfully processed
- The Personal Data must be erased for compliance with a legal obligation to which Netlight is subject to

Please note that we have the right to deny your request should there be any legal obligations, which prevents us from erasing your Personal Data immediately. Such obligations may be due to bookkeeping and tax legislation, but also due to banking and money laundering legislation. Such may also be the case if the processing is necessary for us to establish, exercise or defend legal claims. If we cannot meet your request, we will instead restrict the processing of your Personal Data so that it may not be processed for any other purposes than those that denies the request for erasure.

Right to restriction

You have the right to request that our processing of your Personal Data is restricted. If you believe that the Personal Data we process is inaccurate, you have the right to request that the processing is restricted during the time we need to ensure whether the Personal Data are correct or not. Further, if we no longer need your Personal Data for the described purposes, but you need them to establish, exercise or defend legal claims, you have the right to request that we restrict your Personal Data. i.e. you have the right to request that we do not delete your Personal Data.

Right to objection

You may object to any processing of your Personal Data processed on the basis of a legitimate interest, on grounds relating to your particular situation.

Data portability

You have the right to receive a machine-readable copy of the Personal Data processed on the basis of your consent or on the basis that the processing is necessary in order to perform a contract to which you are a party, and which Personal Data have been provided to Netlight by you.

8.1 How to exercise your rights

To exercise your rights as a data subject, please send an e-mail to Netlight's data privacy team. Netlight's Data privacy team as well as Netlight GmbH's Data Protection Officer can be reached at dataprotection@netlight.com.
